Dear Laurence,

**TOWN AND COUNTRY PLANNING ACT 1990:
PROPOSED ALTERATIONS AND EXTENSION TO 3 ANSON WALK, MOOR PARK, MIDDLESEX.**

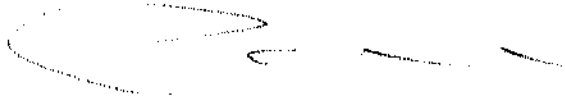

I confirm that an application for full planning permission for the above project has been lodged through the Planning Portal.

The application is made following the refusal of the previous application 08/1411/FUL on 12th August earlier this year; as the current application is for the same use and the same quantum of accommodation we believe the application to be our 'free-go' under the auspices of the above Act.

I trust you will find the scheme precisely as we have discussed at length throughout the long pre-application procedure which has been finalised by your email dated 20th November addressed to me and subsequent telephone conversation between Jas Phull and yourself.

We trust that the information submitted is all in order and in sufficient detail for you to be able to register the application formally and favourably consider this application promptly, however, should you have any queries or require any further information, please do not hesitate to contact the writer.

Yours sincerely,

P.P.
